Strategic Collegiate is an annual Biomedical Engineering & Health Science STEM based college prep and success nonprofit organization focused on Higher Education *Admission, Retention and Graduation* of African-American and Black & Brown students through our mentorship program. We believe that empowering high school students with common sense strategies for college success will lead to positive student achievement outcomes as they begin their higher education experience. **Strategic Collegiate** is focused specifically on high school students who have significant interest in:

- Medical/Dental School
- Biomedical Engineering/Rehabilitation Sciences
- Public Health Sciences
- Clinical Allied Health Sciences, i.e. Nursing, Therapy
- Integrated with...Accessibility, Assistive Technology, Computer Science Engineering & Software Technology

Strategic Collegiate is hosting our 4th annual all-expenses paid trip from the DMV to Boston for the Harvard Medical School Biomedical Sciences Careers Program (BSCP) Diversity Conference **March 31 - April 2, 2023**: <http://www.bscp.org>.

FEATURED EVENTS:

- Private Tour of Massachusetts Institute of Technology (M.I.T.) with National Society of Black Engineers (NSBE) MIT chapter & Biomedical Engineering workshop <https://nsbe.mit.edu>.
- To promote STEAM and to diversify the experience we will have a private tour of the W.E.B. Dubois Cultural Arts Hutchins Research Center at Harvard College: <http://hutchinscenter.fas.harvard.edu/dubois>.

To make this amazing trip a success we are soliciting corporate, philanthropic underwriting grant sponsorship for **PGCPS** students who demonstrate promising futures in Biomedical Health Science STEM majors. We are excited to provide an opportunity for **“The Talented Ten”** (10) STEM students, 5 male/5 female students and (5) Mentor Advisors. Ratio of 1 mentor to 2 students. Parents are highly encouraged to attend in support of their student at their own expense.

- [] PLATINUM: \$15,000** to provide all-inclusive accommodations for 10 Student Scholars and 5 Mentor Advisors.
- [] GOLD: \$5,000** to provide all-inclusive accommodations for 5 Student Scholar or 1 Mentor Advisor Chaperone.
- [] SILVER: \$1,000** to provide all-inclusive accommodations for 1 Student Scholar

Strategic Collegiate has 501(c)3 IRS tax exempt status via our Fiscal Sponsor **Xispossible** 501c3. Your organization’s generous sponsorship will provide a tremendous opportunity for PGCPS STEM focused students to reach their fullest academic potential. **Your organization will benefit in several key ways:**

- Marketing and public relations visibility in the K-12 STEM community throughout DC, Maryland & Virginia
- Promote positive academic progress of **PGCPS** High School students toward Biomedical Health Science majors
- Play an instrumental role in **Strategic Collegiate** focus on college *Admission, Retention and Graduation*
- IRS 501(c)3 Tax exempt charitable underwriting

Projected Budget Breakdown:

Round Trip Flight (Southwest)	\$400
Host Hotel (2 nights) (Westin Copley)	\$300
Chartered Ground Transportation	\$100
Food (3 days)	\$75

Tentative Trip Itinerary:

Thursday: March 30, 2023: 5pm – Media Press Conference Send off to Harvard/MIT at PGPCS Howard Owens Science Center

Friday: March 31, 2023

- 4am, Meet at BWI airport
- 5am, Check in
- 6am, Flight to Boston
- 8am, Land at Logan airport
- 9am, Board charter bus ground transportation
- 10am, Breakfast (Chick-Fil-A)
- 11am, Arrive at MIT
- 12pm, MIT-NSBE Biomedical Engineering Workshop & Private Tour
- 1pm, Luncheon (Subway)
- 2pm, Board bus
- 3pm, Arrive at Harvard College WEB Dubois Center
- 4pm, Hutchins Center African Art tour
- 5pm, Board bus
- 6pm, Arrive at Harvard Medical School
- 7pm, Conference welcome reception
- 8pm, Group Dinner (Prudential Center)
- 9pm, Check in Host Hotel

Saturday: April 1st, 2023

- 7am, Conference registration
- 8am, Continental breakfast
- 9am, Conference sessions
- 12pm, Keynote luncheon address
- 2pm, Conference sessions
- 4pm, Conclusion
- 5pm, Official Group Picture with (Dr. Joan Reede)
- 6pm, HBCU STEM Alumni Network Reception
- 8pm, Group Dinner

SUNDAY: April 2th, 2023

- 6am, Board bus
- 7am, Continental breakfast
- 8am, NESS Conference
- 9am, Conference poster sessions
- 12pm, Keynote luncheon address
- 2pm, Conference sessions
- 3pm, Board charter bus
- 4pm, Arrive at Logan airport
- 6pm, Flight to BWI
- 8pm, Land at BWI
- 9pm, Parent pick up
